Regional Operations Center  
Salt Lake City, UT*

# **WEATHER KEY POINTS**

**06/09/20 - 06/15/20**

## **Tuesday-Thursday**

- Gusty winds will continue Tuesday morning across portions of Southern Region, as a Santa Ana wind event subsides across the area
  - These gusty winds, combined with dry relative humidity, will create elevated fire weather concerns
- Drier weather is expected for the most of the work week, with a warming trend through at least midweek
  - Low to moderate heat impacts will continue across coastal portions of Southern Region Tuesday, becoming more widespread across the state Wednesday and Thursday
  - There is a chance for isolated showers and thunderstorms near the Sierras on Thursday

## **Friday-Monday**

- The weather will trend cooler for Friday into next weekend
- The best chance for showers and thunderstorms will likely occur across northern CA and over the Sierras on Friday
- Breezy conditions on Friday and Saturday will lead to increased fire weather concerns for portions of central CA

# CALIFORNIA WEATHER IMPACTS

06/09/20 - 06/15/20
